

The map shows the 3w (who, what, where) response activity by sub-county for the planned and ongoing multi-purpose cash program implemented by the ASAL Humanitarian Network (AHN). This is in response to the 2023 drought in the arid and semi-arid lands (ASAL) of Kenya. Locations are shown if they have an implementation program. Not all partners have reported activities.

Note: Only a snapshot of the full AHN response is shown.
